The 'Warrior Pledge' Program 2015

The John Yancy Memorial Scholarships, Inc. is inviting you to help raise funds for our scholarship while also raising money for your school's organization. 'Warrior Pledge' makes a statement that you and your sponsors are committed to raising money to support our scholarship and grant program, in memory of John Yancy and his last words to friends and family, **"don't smoke or EVER do drugs for me"**.

Collect pledges from family members, friends, business and co-workers by having them sponsor **you** in this event. **40 %** of funds collected will go to your school club or organization.

"Warrior Pledge" can be done exclusively with offline pledge forms! Nothing technical about it! Pledges can be made at our website www.johnyancyscholarship.org by donation and leaving a message to your pledge-raiser. All donors who pledge online will receive a printable tax-deductible e-mail receipt.

Pledges can go twice as far if the donor's employer has a matching gift program. Matching forms can be acquired from the employer's human resources department. A completed matching form must accompany donor's contribution and this pledge form.

Community Service Program:

Community Service hours will be awarded to the individuals who collect pledges according to the box below.

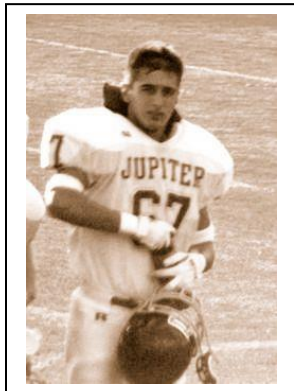

The student pledge-raiser submitting a minimum of 10 pledges of at least \$10.00 each will receive 10 community service hours.

Pledges:

Pledging will start, March 13, 2015 and continue until **March 27, 2015**.

Mail-In Pledges:

Pledges can also be mailed and must be postmarked by **March 27, 2015** to Memorial Scholarships, Inc. at 127 Faith Way, Jupiter, Florida, 33458; or you can turn in your pledges at our office, space donated by Jupiter Insurance, 126 Center Street Suite 2B, Jupiter Florida 33458 or your participating sponsor. Please mark envelopes "Warrior Pledge". Make checks payable to Memorial Scholarships, noting your club, sport or organization on the check. The form may be duplicated to list additional names.
